TESTIMONIALS

HIMTEX is a great opening for new business opportunities. Customers have a lot of solution expectations in Telangana and Andhra Pradesh regions and we got good quality leads.

Mr.A.Ezhilmaran
M/s. Axis Global Automation

We have participated for the first time in Hyderabad. We got encouraging response for our Hydraulic Milling Machine. The market is booming now and would like to participate next year too.

Mr. Bhupinder Singh
M/s. Bhagwan Udyog

The conference at HIMTEX is amazing. Vendors, customers and manufacturers are coming together from different parts of the country and showcasing their products. It was a pleasure being at HIMTEX and giving a talk at the conference.

Dr. Shailesh Kumar, Chief Data Scientist
M/s. Reliance Jio Platforms Limited

I am glad to see more than 100 companies exhibiting at HIMTEX. Interesting part of HIMTEX is the conference on Artificial Intelligence which shares knowledge on how the AI can leverage in the Manufacturing sector. HIMTEX helps in match making among the Aerospace and Defence sector with the manufacturers and helps the Buyers and Sellers on one platform and facilitated the exchange of Knowledge and sharing of new technologies. It's a great place for Buyers and Sellers.

Smt. Rama Devi Lanka, Director
Emerging Technologies, Government of Telangana

The response at the expo is good and we got good response from the delegation of Railways.

Mr. Mohammad
Premier United Pvt. Ltd.

I am happy with the organiser as the companies like MTAR, AZAD Engineering, BHEL and lots of potential customers visited our stall and booked around 20 machines. Our company already booked 150sqm stall for the next edition of HIMTEX 2023.

Mr. K. K. Makwana, MD
KTM Techno Solutions

We got good response in the exhibition and our expectations are met.
